

Model 20 SS Compact Sprayer

MODEL: AF 969521-B

OVERVIEW

The Model 20 Stainless Steel Compact Sprayer is a high pressure chemical spray applicator for quickly diluting and applying virtually any liquid chemical. This venturi injection system uses a 2.2 – 6 GPM pressure washer to draw chemical concentrate from the attached bottle and blend it into the water stream to create an accurately diluted solution. The solution is then projected as a chemical spray on to surfaces up close or at a distance.

Key Features

- Designed for 2.2 - 6 GPM pressure washers
- Quickly dilutes and applies chemicals as a spray
- To rinse, simply quick disconnect the entire assembly and replace your original rinse nozzle
- Use the included fan pattern nozzle for wide coverage or remove it for increased range
- The lightweight 32oz bottle reduces wrist and arm fatigue as well as the risk of repetitive strain injuries
- Your equipment is protected because no chemical passes through the pump, hose or gun
- Industrial-strength, stainless steel design ensures durability and reliable performance
- Impact resistant lid stands up to substantial abuse

Includes

- Machined solid stainless steel sprayer body
- 32oz wide-mouth, HDPE bottle
- Heavy-duty blue bottle lid (*red, yellow, or green optional*)
- Quick connect plug for connecting to your gun
- 20 color-coded precision metering tips to set dilution ratios
- Fan nozzle (removable for increased range)

Options

Stainless Steel Hose Racks

Large	# 224150
Small	# 224145

Pressure Washer QD's, Hose & Trigger Gun

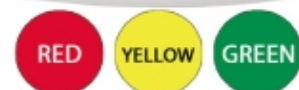

HP 3/8" x 50' Hose & Trigger Gun Kit	# 807069
--------------------------------------	----------

Additional 32oz Bottles

Bottle, 32oz	# 709082
--------------	----------

APPLICATIONS

- Agriculture/Horticulture
- Animal Health
- Vehicle Wash
- Food & Beverage
- Industrial
- Janitorial/Sanitation
- Pharm/Bio
- Pressure Wash
- Supermarkets
- And Many Other Applications!

Optional Lid Colors (Blue Standard)

REQUIREMENTS

Water Temperature	up to 180°F
Pressure Washer	2.2 - 6 GPM
Discharge Hose	3/8" ID minimum
