

# 5 Gallon Internal Tank Foamer

MODEL: AF 925905

## OVERVIEW

The Internal 5 Gallon Tank Foamer is a low-volume foam applicator with an all stainless steel cart assembly for applying ready-to-use foaming chemicals. Connect compressed air to pressurize the 316L stainless steel ASME rated tank and to inject air into the solution to greatly increase volume and coverage ability. A low-volume of rich, clinging foam is projected on to any surface up close or at distances up to 9 feet. Each fill provides 10 minutes of foaming time.

### Key Features

- 316L stainless steel, ASME rated tank and all stainless steel wetted components ensure durability and years of outstanding performance
- Designed for more controlled foaming and extended foaming time in smaller areas
- Projects a low volume of rich, clinging foam which increases chemical contact time and effectiveness
- Foaming expands the chemical and reduces over-application by providing visual assurance of coverage
- Fan pattern nozzle for quick coverage (up to 9' range)
- Adjustable foam consistency (wet/dry)
- Powered completely by compressed air
- No moving parts, virtually no maintenance required

### Includes

- All stainless steel 2-wheel cart with non-marking tires
- Stainless steel hinged mounting enclosure
- 5 gallon, 316L stainless steel, ASME rated pressure tank
- Stainless steel pressure relief pop-off valve
- Machined stainless steel foamer body
- 25' discharge hose, stainless steel discharge ball valve, polypropylene foam wand and fan nozzle

### Options

**Small Stainless Steel Hose Rack** # 224145

#### Proportioning / Filling Options

1-Way Ball Valve Mixing Station (4 GPM) # 985100  
1-Way Push Lever Mixing Station (4 GPM) # 981100

#### Alternate Check Valves & Seals (EPDM Standard)

Check Valve, Air, SS, 1/4" MM (Viton / Hast) # 491306  
O-Ring, Viton, Tank Lid, 5, 16 & 37 Gallon, ASME # 708513

## APPLICATIONS

- Agriculture/Horticulture
- Animal Health
- Dairy
- Food & Beverage
- Hatchery
- Industrial
- Janitorial/Sanitation
- Pharm/Bio
- And Many Other Applications!

## REQUIREMENTS

**Ready-to-Use Chemical Solution**

**Compressed Air** 4 CFM

**Hose** 1/2" x 25'

**Nozzle** 40100

**AFCO**  
equipment & engineering
